PARTIAL CONSENT DECREE WITH
OLIN CORPORATION AND
HEXION SPECIALTY CHEMICALS, INC. f/k/a BORDEN CHEMICAL, INC.

I. BACKGROUND

A. On July 1, 2002, the United States filed a complaint in *United States v. American Cyanamid, et al.*, No. 1:02-CV-109-1 (WLS), against various parties pursuant to Sections 107 and 113(g)(2) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (“CERCLA”), 42 U.S.C. §§ 9607 and 9613(g)(2), seeking reimbursement, pursuant to CERCLA Section 107, of the costs incurred and to be incurred by the United States in responding to releases and threats of releases of hazardous substances at the Stoller Chemical Company/ Pelham Phosphate Company Superfund Site (“Stoller/Pelham Site” or “Site”), in Pelham, Mitchell County, Georgia. Olin Corporation (“Olin”) was among the defendants named in that complaint.

B. On or about August 6, 2003, the United States filed a complaint in *United States v. Midcontinent Commodity Exchange, Inc.*, No. 1:03-CV-122-3 (WLS), pursuant to CERCLA

Sections 107 and 113(g)(2), 42 U.S.C. §§ 9607 and 9613(g)(2), in which the United States also seeks to recover, pursuant to CERCLA Section 107, the costs incurred and to be incurred by the United States in responding to releases and threats of releases of hazardous substances at the Site. Simultaneous with the filing of the complaint against Midcontinent Commodity Exchange, Inc., the United States moved to consolidate that case (No. 1:03-CV-122-3) with *United States v. American Cyanamid, et al.*, No. 1:02-CV-109-1 (WLS). The Court granted the United States' motion on March 1, 2004.

C. On January 27, 2005, Olin filed a complaint in *United States v. American Cyanamid, et al.*, No. 1:02-CV-109-1 (WLS), against Borden Chemical, Inc. ("Borden"), pursuant to Section 113 of CERCLA, 42 U.S.C. § 9613, seeking contribution from Borden for all or part of Olin's liability to the United States in the underlying action. Borden was subsequently acquired by Hexion Specialty Chemicals, Inc. ("Hexion/Borden"). Hexion/Borden has assumed all of Borden's liabilities with respect to this matter.

D. Neither Olin nor Hexion/Borden (collectively "Settling Defendants") admits any liability arising out of the transactions or occurrences alleged in the complaints. The Settling Defendants dispute the factual and legal basis for the claims alleged in the underlying action.

E. The United States and Settling Defendants agree, and this Court by entering this Partial Consent Decree finds, that this Partial Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter will avoid prolonged and complicated litigation between the Parties, and that this Partial Consent Decree is fair, reasonable, and in the public interest.

THEREFORE, with the consent of the Parties to this Decree, it is ORDERED,

to sue extends only to Settling Defendants and does not extend to any other person.

13. Reservation of Rights by United States. The covenant not to sue set forth in Paragraph 12 does not pertain to any matters other than those expressly specified therein. IX. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

16. Nothing in this Partial Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Partial Consent Decree. Each of the Parties expressly reserves any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action which each Party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

19. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs incurred after the effective date of this Partial Consent Decree, and/or other relief relating to the Site, Settling Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenant Not to Sue by Plaintiff set forth in Section VII.

X. RETENTION OF RECORDS

20. Until 5 years after the entry of this Partial Consent Decree, Settling Defendants shall preserve and retain all records and documents now in its possession or control, or which come into its possession or control, that relate in any manner to response actions taken at the Site or the liability of any person for response actions conducted and to be conducted at the Site, regardless of any corporate retention policy to the contrary.

such records or documents, and, upon request by EPA or DOJ, Settling Defendants shall deliver any such records or documents to EPA. Settling Defendants may assert that certain documents, records, or other information are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendants asserts such a privilege, it shall provide Plaintiff with the following: 1) the title of the document, record, or information; 2) the date of the document, record, or information; 3) the name and title of the author of the document, record, or information; 4) the name and title of each addressee and recipient; 5) a description of the subject of the document, record, or information; and 6) the privilege asserted. However, no documents, reports, or other information created or generated pursuant to the requirements of this or any other Partial Consent Decree with the United States shall be withheld on the grounds that they are privileged. If a claim of privilege applies only to a portion of a document, the document shall be provided to Plaintiff in redacted form to mask the privileged information only. Settling Defendants shall retain all records and documents that they claim to be privileged until the United States has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in the Settling Defendants' favor.

22. By signing this Partial Consent Decree, Settling Defendants certify individually and collectively that, to the best of their knowledge and belief, they have:

a. conducted a thorough, comprehensive, good faith search for documents, and has fully and accurately disclosed to EPA, all information currently in its possession, or in the possession of its officers, directors, employees, contractors or agents, which relates in any way to the ownership, operation or control of the Site, or to the ownership, possession, generation, treatment, transportation, storage or disposal of a hazardous substance, pollutant or contaminant
